

FACT SHEET

Vancouver Duty Free at YVR

Vancouver Duty Free at Vancouver International Airport (YVR) is located in the International departures area, post-security. The duty-free spans approximately 30,000 square feet across two walkthrough stores. Each location features a curated selection of global luxury brands and locally sourced products for every kind of traveller.

- **Exclusive global brands:** Vancouver Duty Free offers a number of brands that are not available at any other Dufry shop in North America, making them exclusive to YVR. These brands include:
 - Luxury cosmetics by Charlotte Tilbury, NARS, Valentino, and Prada
 - Fragrance brands Creed, Byredo and Penhaligon's
- **Locally crafted products:** The new international duty free at YVR will feature health and wellness brands with products that are manufactured in Canada. REYAL offers skincare for men and is made in Vancouver. Nena offers clay-based face products made with ingredients sourced from Northern B.C. Provence en Couleur offers aromatherapy goods, made in small batches on Granville Island.
- **The first Haute Parfumerie in North America:** Vancouver Duty Free at YVR is home to the first Haute Parfumerie concept, offering travellers a curated collection of exclusive, niche fragrance brands including Byredo, Penhaligon's, Creed, Diptyque, Montale, Le Labo, and Parfums de Marly.
- **B.C. wines and spirits:** Vancouver Duty Free offers an extensive selection of local wines and spirits from renowned B.C. producers such as Empress Gin, Mission Hill, Mt. Boucherie, Phantom Creek, and Sheringham Distillery. These selections are only available at Vancouver Duty Free, enhancing the uniqueness of merchandise through destination exclusivity.
- **Newly renovated space:** YVR partnered with Dufry, an Avolta company and leading travel retail operator, to reimagine its duty-free shops and create a unique sense of place with products for every kind of traveller.
- The new Vancouver Duty Free at YVR has expanded by approximately 7,000 square feet to a total of 30,000 square feet across two locations. The first location opened in August 2024. The second and final location of the renovation opened in December 2024.
